Sharp's Comment on Media Reports Including Sharp's Financial Results

Today, March 29, 2016, a Japanese newspaper Nihon Keizai Shimbun (Nikkei) reported speculations on Sharp's year ending March 31, 2016 financial results. However this is not based on our announcement.

We are currently considering a downward revision in our consolidated financial results for year ending March 31, 2016 due to decline in sales deriving from deterioration in the Chinese market etc.

We will timely announce whenever such facts that require disclosure will be decided.
